

OUR CANCELLATION POLICY:

Your deposit is not refundable for any reason! This is not as bad as it sounds; read on....

Affinity Guesthouse Short Stay B&B Cancellation Policy

We will process a 50% or \$300 deposit (whichever is less) to reserve your room. We do not refund deposits for any reason; however, if you cancel your reservation with more than 2 weeks notice, we happily offer transferable gift certificates for the full deposit amount that can be used at any Affinity Guesthouse location or Gumboot Guiding offering.

So, what happens if you want to cancel your reservation within 2 weeks of your arrival date? Sadly, you will forfeit your deposit amount.

Basically, we are not satisfied until we meet our guests and have had the opportunity to pamper them. We know life is full of twists and turns, and we are very easy to talk to; call us as soon as possible if your travel plans change. We promise to be here and provide the hospitality our guests expect from Affinity Guesthouses, and we expect you to be here to enjoy it.

Does this seem reasonable to you? We hope so. It is one more way that Affinity Guesthouse is not your typical destination.
