

Affinity Guesthouse Wedding Pricing 2009/10

First: the basics.

We offer an amazing venue for your wedding. We think it is perfect, in fact we were married here! May/early June and late August/September are the best times to get married at Affinity Guesthouse. We have an amazing space, unlimited parking, onsite accommodation and we can package up camping for groups as well.

Second: the pricing.

Our most common weekend package is \$2650 plus GST to rent the entire facility from Friday afternoon to Sunday morning; here is the breakdown:

The outdoor venue: \$1500 for the day. Lots of parking, pastoral scenery, private location

The Guesthouse: \$400/day Includes full use of kitchen, accommodation for up to 6 (in two rooms)

The clean up and onsite help: \$350 for the weekend. You can just walk away..as long as you fulfill your obligations to your other suppliers, we take care of everything else..recycling, garbage, compost. We'll be on the sidelines if you need us for anything..and we'll be the first ones cleaning up the reception area..you don't have to get your friends or family to work overtime and clear tables or handle the trash...we have it covered.

Third: the fine print

Vanessa and I love to be a part of weddings, but we ask a few courtesies: we want your guests to get home safe, so have a plan; we appreciate our neighbours, so the amplified music needs to off at midnight; we don't supply rental tents, chairs, extra bathrooms, MC services, JP services or DJ services, but we have lots of contacts and referrals for you. You don't need to get married here to come down and bounce ideas off us. All the events here have been fabulous and we'll share the knowledge with you.
